Sir,
I appreciate your response, however what does, "I will update everyone today" mean?
You may response to my e-mail and I will forward your response to the rest of my members that way it will save you some time. Better than that you can call Vice Chair Jim Appodaca.

Gentlemen,

I am hoping to get an update from you on the status of adding the Tejon Indian tribe to the federal recognition list. I appreciate all of your efforts over the past 8 months in getting this resolved. As I understand it we are waiting for the solicitors office to get this completed.

I don't know what else we can do to help, at this point we are very frustrated. The timely manner we were told back in September 2009 has gone way past. We ask our council members daily when we will have this accomplished and they cannot give us a time.

I would appreciate you replying back to our Chairwoman Kathryn Morgan or Vice Chairman Jim Appodaca at your earliest opportunity.

Respectfully,

Gabriel Flores
